A close-up photograph of a person's bare foot stepping on grass. The foot is the central focus, showing the texture of the skin and the grass blades. In the background, another bare foot is visible, slightly out of focus, suggesting the person is walking. The overall scene is outdoors on a grassy area with green foliage in the background.

I often go  
walking

In meadows  
of clover,

And I gather  
armfuls of  
blossoms of blue.

I gather the  
blossoms the whole  
meadow over.

Dear Mother  
all flowers remind  
me of you.
